Brick Municipal Races 2023:

Proceeds will benefit CTE John Catalano, CTE Mary Jonas Buckley, CTE James Palmisano, CTE Rocco Palmieri, and/or CTE Theresa Gallagher. New Jersey law prohibits entities operating in certain regulated industries (financial institutions, insurance companies, utilities) from contributing. Election Law allows contributions with a limit of \$5,200 per candidate, per election cycle from individuals and corporations and \$16,400 per candidate, per election from PAC's.

A partnership or limited liability company may not contribute as an entity. However, a check from a partnership or limited liability company may be accepted so long as it is accompanied by a letter allocating the contribution to the individual partner(s) or member(s) and is signed by each contributing partner or member. The letter must include each contributing partner's home address. A partner's total contribution, through the partnership and personally, cannot exceed the \$5,200 per candidate, per election cycle limit.

Restoring America's Mission PAC (RAM PAC):

New Jersey election law allows contributions with a limit of \$14,400 annually from individuals, PAC's and corporations, except from those industries regulated by the State of New Jersey. A partnership may contribute the maximum of \$14,400 per partner annually. A letter allocating the contribution to the individual partner(s) must accompany the check. The letter must include each contributing partner's address. A partner's total contribution, through the partnership and personally, cannot exceed the \$14,400 annual limit.

Political contributions are not deductible for income tax purposes. Contributions over \$200 are reportable with NJ ELEC.
