**Van Drew Slams Trump Verdict as One of the
Greatest Miscarriages of Justice in American History**

United States Congressman Jeff Van Drew released the following statement on the sham verdict handed down against President Trump earlier this evening.

Make no mistake about it, this will go down as one of the greatest miscarriages of justice in American history,” said United States Congressman Jeff Van Drew. “This is a sad day for the American people regardless of whether they are Republicans, Democrats, or Independents. This administration has weaponized our government on an unimaginable scale and if they can do this to President Trump, they can do it to any one of us moving forward.”
